## HURRICANE QUESTIONNAIRE / PLAN

*Please note, it is extremely important that all questions on this form be completed.  
Especially, if you require Named/Numbered Windstorm Coverage.*

### INSURED DETAILS

Full Name: \_\_\_\_\_

Address: \_\_\_\_\_

E-Mail: \_\_\_\_\_

### DETAILS OF YACHT

Vessel Name: \_\_\_\_\_

Hull ID Number: \_\_\_\_\_

Other ID Number: \_\_\_\_\_

### INFORMATION REQUIRED:

1. If different from above, who is going to be responsible for the vessel before and after the hurricane (Name, Address, E-mail & Phone)?
2. What is the name, address and contact details of the marina or residence where the vessel is kept?
4. How frequently, do you or the person named above visit the vessel (Daily, Weekly, Monthly, Semi-Annually, Annually)?
5. Who if other than the Insured, has the authority to move and or prepare the vessel for a storm (Name, Address, E-Mail & Phone)?
6. Is the vessel in a single slip? If so, what is the clearance between the insured vessel and surrounding, docks and piers?

7. Is the insured vessel in a single slip with a neighboring vessel? If so, what is the distance in feet between the widest beam of the insured vessel and the neighboring vessel?
8. How many lines are going to be used to secure the vessel and what is the diameter and material of those lines?
9. Is the slip covered by a roof or building?
10. Does the slip have overhead power lines?
11. Will preventers be installed at the top of the pilings so lines can not slip off the top?
12. If the Insured Vessel is a sailboat, will the vessel be hauled and blocked ashore during hurricane season?
13. What is the height of the pilings above the water level at spring high tide?
14. If the vessel will be ashore are all the stands supporting the vessel chained together?
15. Will all canvases, Biminis, cushions, outriggers, valuables, and equipment be removed?
16. If the vessel is to be moved to a hurricane hole, what is the travel time by water & if there are any bridges, will they open prior to the hurricane?
17. What arrangements have you made for the safety of your vessel in the event that a named storm warning is issued (BE SPECIFIC)?
18. What are your alternative plans in the event that the above plan becomes unlikely (this question cannot be left blank)?
19. Have you ever had to prepare for a storm before (Yes or No)?

### **DECLARATION**

---

To the best of my knowledge and belief the information provided in connection with this hurricane questionnaire / plan, whether in my own hand or not, and I have not withheld any material facts\*. I understand that non-disclosure or misrepresentation of a material fact\* may entitle underwriters to void the insurance.

\* A material fact is one likely to influence acceptance or assessment of this hurricane questionnaire / plan by underwriters. If you are in any doubt as to whether a fact is material or not you must disclose it.

This hurricane questionnaire / plan and the information provided in connection therewith contain statements upon which underwriters will rely in deciding to accept this insurance. Should a contract of insurance be concluded this hurricane questionnaire / plan will form the basis of the insurance.
